

Declaration of health

Notes to help you

We need this form completed so that we can assess your health and also so we can obtain a General Practitioner's (GP) Report. This and the health information you provide in this form may help us to give you an estimate of the amount of discount that could apply to the gift you make, for inheritance tax (IHT) purposes.

Before completing this form, the applicant must read the Privacy Notice in section D page 10. The Privacy Notice explains how we use your personal data and why we are collecting it.

The personal information you provide is being collected for the purpose of entering into a contract and to discharge our legal responsibilities. Failure to provide the requested information will result in the application not being processed.

If you have any questions about this form, or would like any other help, please telephone us on: **0808 234 2200**, 8.30am to 6.00pm, Monday to Friday.

We might record your call for training and quality purposes.

Please return all pages to

Section C – Health information

Interim underwriting selected

When we receive this form, our underwriters will assess the information you have provided and we will also request a GP Report as long as we have a completed product application form.

Once we have assessed the information provided in this form, we will, where possible, send you confirmation of our underwriting decision, and an estimate of any discount which may apply to your gift.

Please note that this will be an interim decision and interim estimate of the discount.

Once we have received the GP Report we will assess this and provide final confirmation of our underwriting decision and estimate of any discount.

Please note that the final decision, and estimate of the discount, may differ from our interim decision and estimate of the discount, depending on the information provided here and in the GP Report.

It is possible to start the bond and place it in trust once you have received notification of the interim decision and discount. Alternatively you can wait until you have received the final notification.

Regardless of when the bond is set up and when the trust is established, the calculation of any IHT liability should be based on the final estimate of the discount.

General Practitioner's Report

If you have selected the GP Report, we will assess your health based on this and provide you with final confirmation of our underwriting decision and estimate of any discount.

If our underwriters are unable to offer terms, no inheritance tax discount will apply. This will not, however, impact your bond and the product benefits it offers.

Important information for customers

Please ensure that the following answers are true and complete. It is important that the answers you give are full and accurate and are completed by you. If you are in any doubt whether to provide details, please include the information. Any changes in material facts, such as a change to any of the information given in the answers to the health questions, between completion of this form and your plan starting, must be notified to Prudential.

If you would prefer, you may complete the questions in private and return the health details section direct to our Chief Medical Officer. Please indicate on this form if you have done so.

You do not need to tell us about the result of any genetic test you have had. You must, however, tell us, if you have symptoms or a family history of genetic disease. We will take account of a negative test if you choose to disclose this.

Section D – Declaration, finalisation authority and consent

Your statutory rights under the Access to Medical Reports Act, 1988 and the Access to Personal Files and Medical Reports (NI) Order 1991.

This Act/Order gives you additional rights as a consumer. It means you have greater control over the use of your personal medical records.

Important notes

We have a confidentiality policy in place which means we hold your medical information securely and access is limited to authorised individuals who need to see it.

You are entitled to ask for a copy of our standard terms and conditions and a copy of your application form at any time.

Access to medical reports

We need to establish whether we can provide an estimate of any discount that may apply to the gift being made, for inheritance tax purposes, based on an assessment of your current state(s) of health. To do this we need to get medical reports. Before we can ask any doctor that you have consulted to fill in a report, we need your permission under the Access to Medical Reports Act 1988. Your rights under the Act are as follows.

- You can ask to see the report before the doctor returns it to us. If this is the case, we will tell the doctor to keep the report for 21 days so that you can arrange to see it. If you have not made arrangements to see the report within this time, your doctor will send the report to us.
- If you choose not to see the report at this stage, you may ask the doctor for a copy within six months of it being sent to us. We can send a copy of the report to your doctor if you ask to see it at a later date.
- If you think that any part of the report is not correct or is misleading, you may ask the doctor to amend it. If your doctor refuses to make the amendments, you may ask him or her to attach a statement outlining your views, which will then accompany the report.
- Your doctor can withhold access to the report if he or she feels that it would cause physical or mental harm to you or others.

The medical report your doctor fills in asks about the following:

- Your current health.
 - Any care, medication or treatment you are currently receiving.
 - The results of referrals or tests you are waiting for.
- Any time off work in the last three years.
- Your past health.
 - Details of any relevant illness, trauma, or referrals for specialist advice or treatment, hospital admissions, consultations with your GP or any other medical adviser, therapist or counsellor, in particular whether you have a history of:

- malignancy (cancer), cardiovascular (heart) disease, diabetes, and degenerative (gradually worsening) diseases;
- musculo-skeletal disease or injury, for example, arthritis, rheumatism, back problems or any other disorder of the joints or muscles;
- anxiety, depression, neurosis (such as phobias, obsessions and so on), psychosis (a mental disorder where you lose contact with reality), stress or fatigue;
- suicidal thoughts or attempts at suicide; or
- conditions related to drug or alcohol misuse or smoking or chewing tobacco.
- Details of any biopsies, blood tests, electrocardiograms (heart tests), height, weight if measured in the last two years, urinalyses (tests on urine), x-rays or other investigations.
- Any blood pressure readings in the last three years.

- Any history of disease among your parents or brothers or sisters that you have told your doctor about.

We have asked your doctor not to reveal information about:

- negative tests for HIV, hepatitis B or C;
- any sexually-transmitted diseases unless there could be long-term effects on your health; or
- predictive genetic test results unless there is a favourable test result which shows that you have not inherited a condition your family suffers from.

If you have any questions about your rights under the Act or questions relating to the process of getting, assessing or storing medical information, please write to the Chief Medical Officer, Prudential International, Montague House, Adelaide Road, Dublin 2.

If you want to do any of these things, or would like an explanation as regards these rights, we've explained how you can get in touch in the '**Contact Us**' section.

If you do need to speak to us, it'll be useful to have to hand that the data controller of your personal information is PIA. PIA has also appointed a Data Protection Officer who can be reached at the details shown in the '**Contact Us**' section of this document.

We may monitor or record calls or any other communication we have with you. This will be for training, for security, or to help us check for quality.

Part F – Acting on someone else's behalf?

If you give us personal information about another person (or persons), we'll take that to mean they have appointed and authorised you to act on their behalf. This includes providing consent to:

- › our processing of their personal information and sensitive personal information (as we've explained in Parts A, B, C, and D above);
- › you getting any data privacy notices on their behalf.

If for any reason you are concerned as to whether you are permitted to provide us with the other person's information, please contact us on the phone number provided in the '**Contact Us**' section before sending us anything.

Part G – Direct marketing

From time to time, we, M&G plc, our Business Partners and our Marketing Partners may like to contact you by electronic or non-electronic means with details about products, services and any special offers.
