

## Product Charge Tables

This document provides an overview of the standard charges and costs deducted and where you can go to get further information.

There are three charging structures to choose from within the Prudential International Investment Portfolio. For each of the three charging structures there is a table below detailing the charges that apply under that charging structure, and the final table details additional charges that apply under all charging structures. Note that some charges are subject to change and the charges detailed below are accurate as at February 2021.

### Prudential International Investment Portfolio (Life & CRO)

#### The following charges apply to the Initial Charge Option:
